Parallel program performance on cluster for ./merge_sort_time.txt
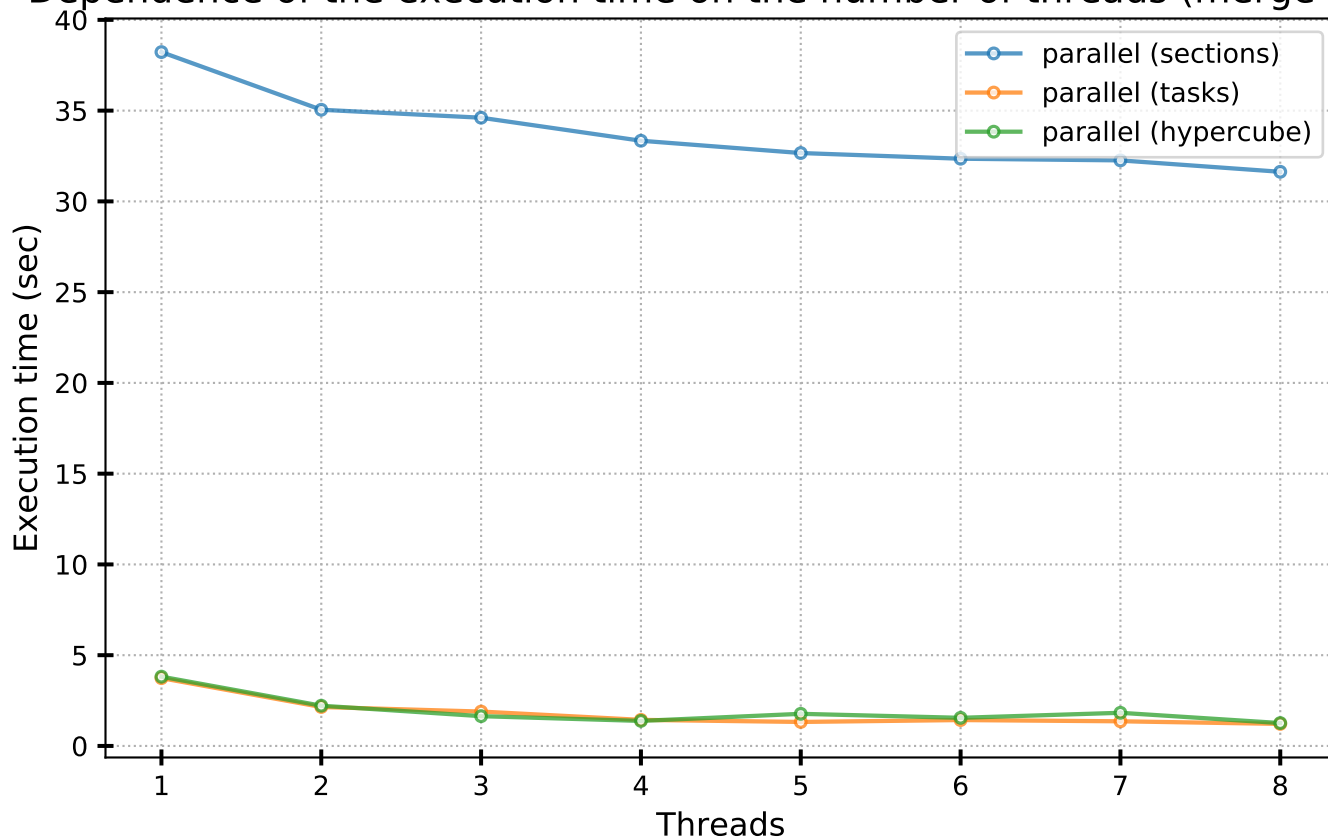

Dependence of the execution time on the number of threads (merge sort)

Legend:
- parallel (sections)
- parallel (tasks)
- parallel (hypercube)

Y-axis: Execution time (sec)
X-axis: Threads

Dependence of the speedup time on the number of threds

Legend:
- parallel (sections)
- parallel (tasks)
- parallel (hypercube)

Y-axis: Speedup
X-axis: Threads
